ABOUT JENNMAR Services

JENNMAR Services serves the industrial, coal, oil & gas, medical, administrative and distribution industries and is continually growing and diversifying to meet your needs. We have offices and work assignments all over the country.

At JENNMAR Services, the men and women we hire work for us, first and foremost. JENNMAR Services employees earn competitive pay and benefits, including a 401K plan. We scrutinize, test and train everyone we hire as if they were to be our own permanent employee... because they are. While the vast majority of the positions we offer lead to full-time, permanent positions with other companies, the people we hire work for us until they are prepared to move on, all the while gaining skills and confidence or simply demonstrating their value to a company eager to hire them.

From: Tony Calandra, Group President of Frank Calandra Inc. and Calandra Group, LLC.

Subject: JENNMAR Services purchases Turning Point Services, Inc.

JENNMAR Services (JMS) purchases Turning Point Services, Inc.

[Pittsburgh, PA, July 6, 2020] - I am pleased to announce that JENNMAR Services, (JMS) has purchased Turning Point Services, Inc. Turning Point Services, Inc. is a 24 hour hot shot and tractor trailer company. Turning Point Services provides site development for oil and gas companies, construction companies, and both commercial and residential contractors. Turning Point specializes in excavation and other types of heavy equipment work, such as reclamation, road repairs & maintenance, snow removal, land clearing, HDPE pipe installation, and more.

"This will allow JM Services to utilize our work force in other industries, add diversity to our company from coal into industries related to industrial construction, earth-work, and oil and gas. Turning Point's customer base intersects with JM Services locations and other company wide affiliates. With this merger, we can grow Turning Point and our customer base together." - Brian Delloma, Vice President of JENNMAR Services.

Justin Lorch (General Manager), brings twenty plus years of experience in both trucking and heavy equipment related business. Justin will remain with the company, and manage day to day operations. Justin will report to Brian Delloma (Vice President of JMS).
